

TEXAS U.S Congressional District #10

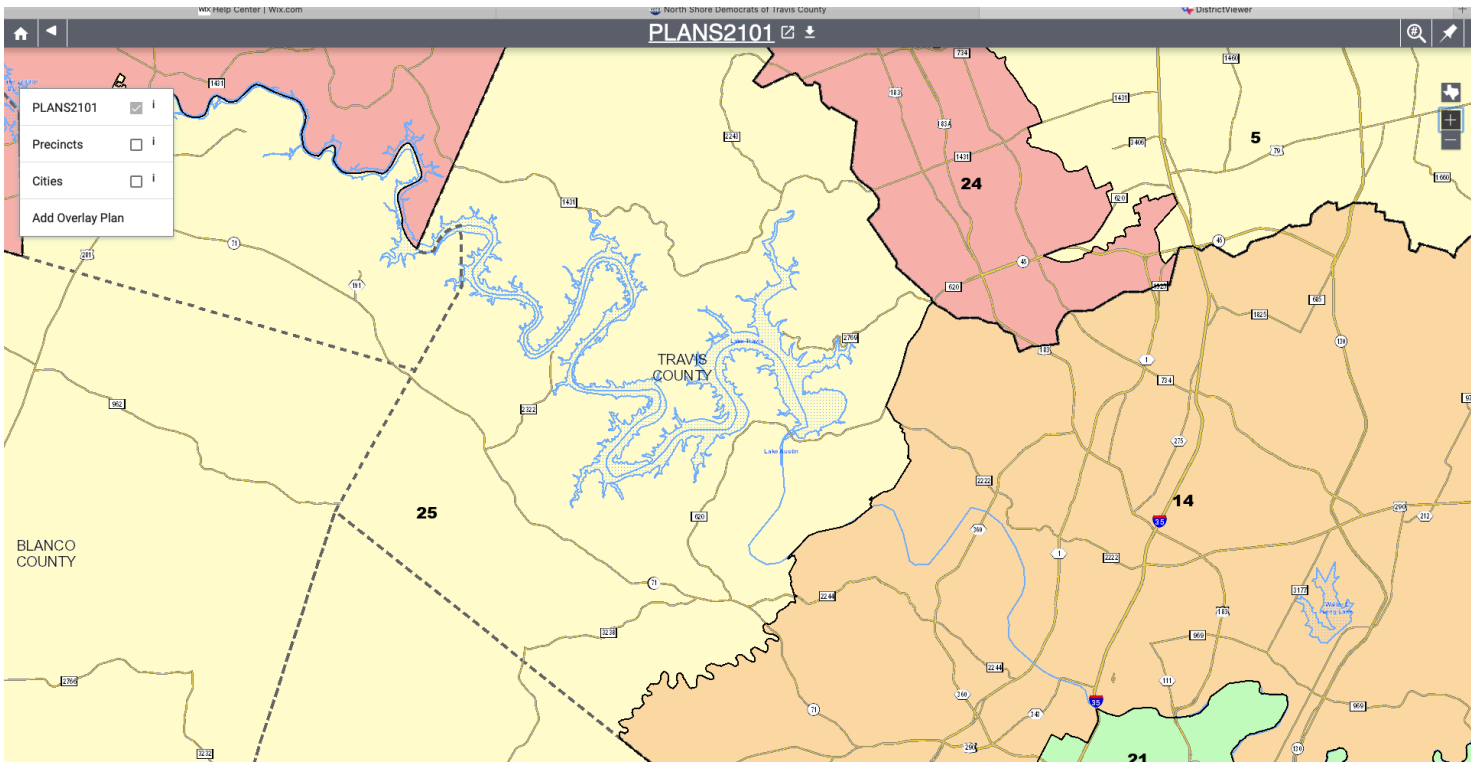

District 10 (in green) is connected by a ridiculous “neck” to rural counties to our east.

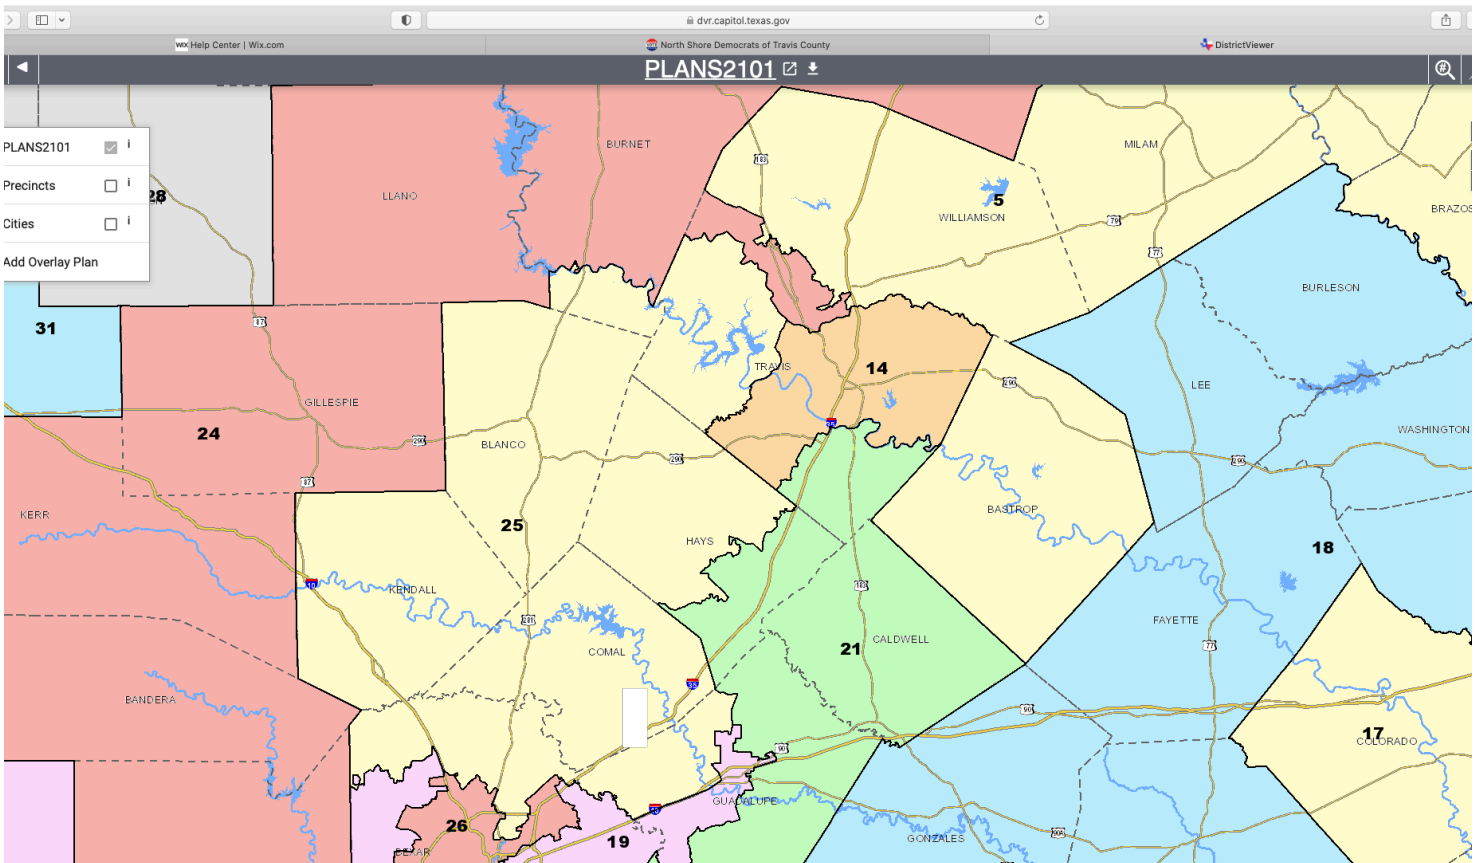

This “neck” put us in the same district with Bastrop, Fayette, Colorado, Lee, Burleson, Washington, Austin, Brazos, Grimes, Waller, Madison, & Walker Counties.

TEXAS SENATE DISTRICT #25

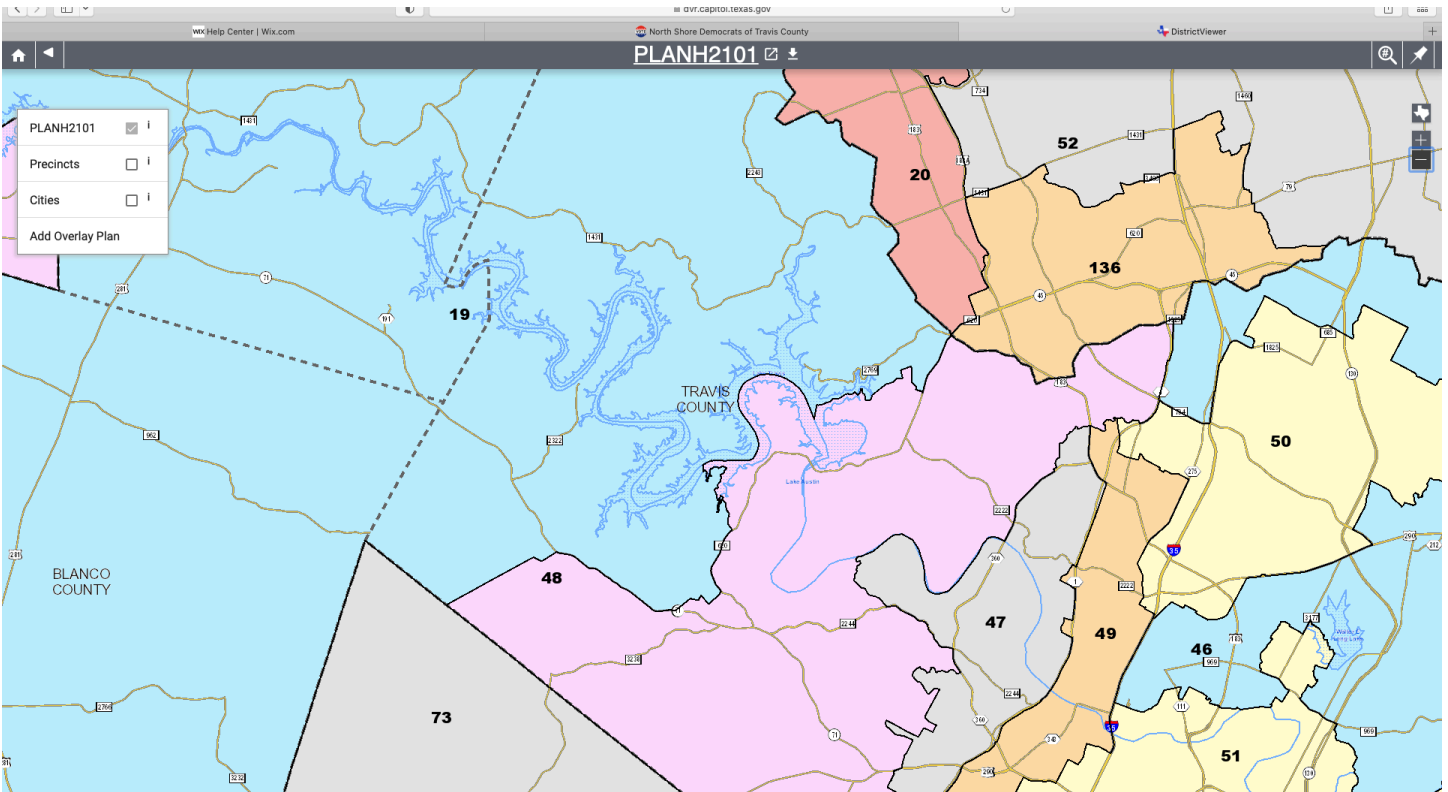

District 25 (yellow on left) crosses county lines to put us with rural counties to our SW.

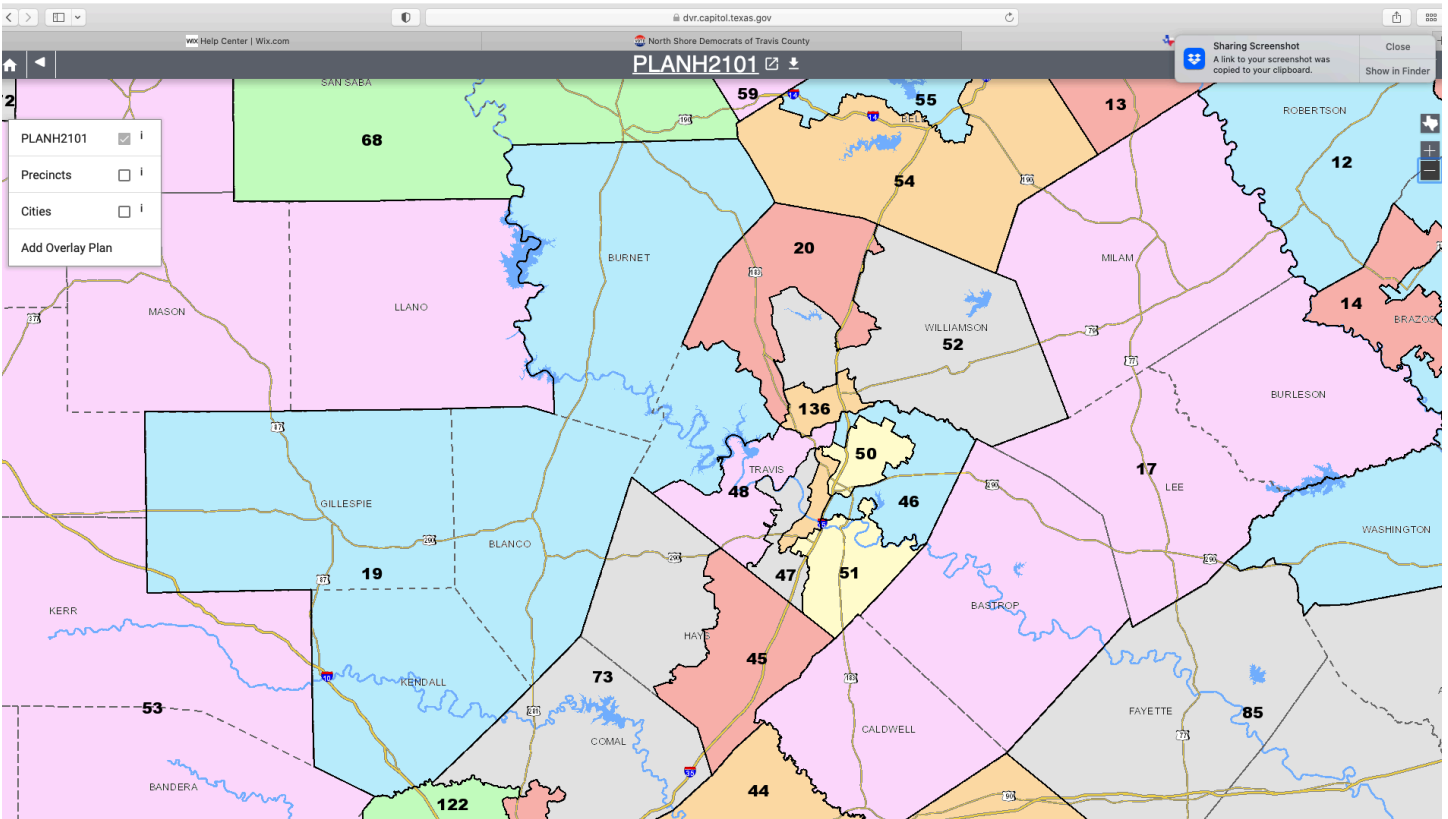

We are now in the same district as Blanco, Hays, Kendall & Comal Counties, and a piece of Burnet.

TEXAS HOUSE DISTRICT #19

District 19 (blue on left) crosses county lines to put us with rural counties to our west.

The new district includes the rural counties of Burnet, Blanco, Gillespie and Kendall.
