

What Can YOU Do?

Communicate, Educate, Share, SPEAK OUT *Your Voice Matters*

Write letters to your elected officials and consider these talking points

- Our Need for a More Protective Water Management Plan NOW, not in 2025
- Address the Low Inflow Trends that affect all of our Lakes
- The Impact of Population Explosion on our Water Supplies
- Preventing the Overselling of our Water
- Advocating for New Water Supplies
- Encouraging the Implementation of Stronger Conservation Efforts Sooner, before the lakes go dry
- No More Damming Up the Water that Fills our Lakes

Support our Work: Donate and Volunteer with CTWC!
